

Social Mobilizer

(1 Position Male)

Background:

Development Impact Solutions (Pvt) Ltd – DIS - is registered with the Security Exchange Commission of Pakistan (SECP). The DIS offers innovative solutions to the development challenges and assists government bodies, private sector, and workers and civil society organization for the realization of labour rights and human rights as enshrined in the Constitution of Pakistan. DIS carried out an innovative project “Linking Brick Kiln Women Workers with Formal Health Care System” in rural area of District Lahore, Punjab. Based on successful results during the pilot stage, this project has now being scaled up in District Lahore and District Rawalpindi. The project will continue to work closely with the relevant provincial line departments, private sector (brick kiln employers) and workers to improve health seeking behaviour of brick kiln women workers. This project is funded by Department for International Development (DFID) through Health and Nutrition Innovation Fund (HANIF) Project managed by Palladium Pakistan (Pvt) Ltd. Under this project DIS intends to hire the services of one male social mobilizer in Lahore
